CORAM: D.K.DESHMUKH,J.

DATED: 27th February, 2006

P.C.:-

1. Heard the learned Counsel appearing for the petitioner. Perused the record. The Arbitral Tribunal has given elaborate reasons for declining to condone delay. I do not find any proper reason given in the petition which would create any doubt about the authenticity or correctness of the reasons given by the learned Arbitrator. There is no substance in the petition. Hence, it is rejected.
